Office Furniture

That Lends Dignity

The character of your business is judged largely by the character of your office furniture. If it conveys the impression of substantial worth you have taken a long step in the right direction.

We are specialists in Roll Top Desks, Swivel Chairs and Tables in mahogany and oak. And because we feature this particular class of work we are able to quote very interesting prices.

We are exclusive agents for Macey Filing Appliances and carry a large line in stock for immediate delivery.

Wicker Furniture that Will Give Enduring Satisfaction

Furniture for the porch, living room or den—wicker that will stand the wear and tear of everyday use and whose lines are conducive to the greatest possible degree of comfort. Strong, durable, yet inexpensive pieces in designs that are particularly pleasing to the eye—and artistic.

You are as safe as can be in buying here—we guarantee each piece.

WILKESDALE, 2.22

WILKESDALE is a brown stallion, six (6) years old, of Morgan build, very stylish and weighs about 1,050 pounds. He has taken first premium everywhere shown, including first premium at the Dominion exhibition, Sherbrooke, P. Q., as a three-year-old. Wilkesdale was brought from Lexington, Ky., to the Smith Stock Farm by Walter Cox, when two years old. Wilkesdale is by Oudale, 2:28 3/4, by Onward, by George Wilkes; his sire has about 16 in the list, and all trotters. Wilkesdale's dam is Fanny Black, 2:27; Fanny Black is now a dam of four in the list; also the dam of a two-year-old that has worked last season in 2:27 1/4. Second dam by Betterton, by George Wilkes. Wilkesdale is the fastest trotting stallion ever owned and trained in Barre, when he received his record of 2:22 1/4.

Wilkesdale's colts are all trotters, of good size, and stylish. Wilkesdale stands for service at the

SMITH STOCK FARM, South Barre, Vt.,

and all mares left at our farm will receive the best of attention.

WATERBURY DEATHS.

Mrs. Leonard Hart Had Reached Advanced Age.

Waterbury, June 18.—The community was much shocked to hear yesterday morning that Mrs. Leonard Hart had passed away during the night. Although not feeling well for two or three days, no alarm was felt and she was able to minister to her invalid husband until the last. Mary Thayer was born in Sharon, Vt., March 25, 1829, the daughter of James and Roxie (Pratt) Thayer.

About sixty years ago, she was married to Leonard Hart in Montpelier. They have lived in this village over fifty years, twenty-seven years in the house in which she died. Over a year ago Mr. Hart was stricken with a shock and has been helpless. Mrs. Hart caring for him with the help of her daughter. Beside her husband, Mrs. Hart is survived by two daughters, Alma, wife of George Toulson, and Ella, wife of Harvey Atkins, both of this place. Two granddaughters are also living, Miss Bertha Joslyn and Mrs. Winnie Atkins Smith. Because of Mr. Hart's condition, the funeral will be private and will be held at her late home on Main street Sunday afternoon at one o'clock. The Rev. W. C. Johnson, pastor of the M. E. church, of which she had been a member over fifty years, officiated. The funeral will be in charge of W. J. Boyce and the burial will be in the village cemetery.

Henry Irish died at the home of his parents, Mr. and Mrs. Daniel Irish, in South Duxbury June 16. The immediate cause of his death was pneumonia, but it is thought that an injury which he received a few months ago in a runaway accident, was the beginning of his trouble. Henry Irish was born August 20, 1875. Mr. Irish moved to town from Westford, living at first at Duxbury Corner, working at that time for Deemer & Palmer. Later he went to Montpelier, to work for H. O. Ward and was taken to the home of his father because of illness. Besides his father and mother, he is survived by three brothers, a wife and son. The body will be taken to-day to Westford, the service being held at Cloverdale at ten o'clock Sunday. The Rev. Mr. Kiddier of Westford officiates, Joseph Gomo being the undertaker.

Darwin Smith, a well-to-do farmer of Castleton, was the seriously injured Wednesday, when the team he was driving was struck on a crossing by a Delaware & Hudson train. Mr. Smith was riding in a carriage and probably did not see or hear the train. He was thrown headfirst into the road, receiving a bad cut on the head. He was not dangerously hurt. The carriage was smashed and the horse seriously injured.

Wash Suits

The comfort and practicability of Wash Suits has made them a necessity and just at present they are in great demand. The newer styles are the ones wanted. Our last lot came in this morning by express.

You are always better satisfied to buy from an assortment rather than from a few that some happen to have. We are the largest garment handlers in this part of the state and ought to be right.

NEW MIDDY WAISTS

These Middy Waists are having a great run in all large cities. We have a nice one to sell at \$1.00; also a better one, with navy wool collar and cuffs, made exactly like the Middy Waist worn at Annapolis, even to their having bone buttons, price \$1.25.

You will find on our bargain table a full assortment of sizes in White Tailored and Muslin Waists that would be all right at \$1.25, or even \$1.50; here at only \$1.00 each.

White Silk Waists, made of white oriental silk. These come in different designs and cost but little more than the same designs in muslin.

We have some good trades in Colored Mesaline Waists that are new and as the silk is light they make a good summer waist.

REGAL SHOES

You may be wearing a satisfactory shoe—one that has always worn well for you. There is one thing sure, and that is that whatever the make, whatever the price, you are not getting any better for the price, and nine to one you are getting a much inferior shoe for the price, than the Regal Shoe.

There is a neatness in Regal Shoes that you will fail to find in other kinds. They do not squat down at the heel, and for the price asked are really cheap.

Patent Leather Shoes are not warranted; at the same time, we have had excellent results from patent shoes in both High Shoes and Oxfords.

Customers that we sold Regal Shoes to last season are back for more, almost to a customer. They have friends that like a good thing, and they come with them. There is no question but what it is a great shoe.

DRESS GOODS

Dress Goods are to be a little higher. By these prices, you would never know it. We bought early; this makes late prices to you very low.

Thirty-six-inch All Wool Panama in green, garnet, navy, slate and brown, at 50c. A good cloth for ladies or misses' wear.

Fifty-inch Panama, a bargain. Comes in slate, garnet, navy and Copenhagen blue, a first-class 50c cloth, at 65c per yard.

Forty-two-inch-wide Waxed Navy Blue Diagonal, a very stylish cloth at the price, \$1.00.

Forty-four-inch Black and White Shepherd Plaid. These are good 50c cloths. We are selling them at 45c per yard.

Our modern way of keeping Ladies' Muslin Underwear has helped us to some good trades. The assortment is different from most lines of Muslin Underwear.

The Daylight Store

MONTPELIER.

Miller-Rosier Wedding—At Home in Rochester, N. Y.

The marriage of Harry S. Rosier of Rochester, N. Y., and Miss Winona A. Miller, daughter of Mrs. James E. Hooper of Seminary Hill, occurred Thursday evening, the ceremony being performed by Rev. Homer A. Flint of Christ church.

Only the immediate relatives of the contracting parties were present. Mrs. Rosier has been a member of Christ church choir for several years and is well and happily known by a large circle.

So treacherous and terrible is the poisonous nature of this innocent-looking candy-like substance that even the police expert handles it with reluctance.

And there is a reason, for unlike the other life destroyers he is so familiar with, he only needs to get this one in an unprotected wound in his hand or in a

take some of its sweet, bitter almond smelling vapors to be a corpse. Indeed, he would think nothing of chloroforming a dozen cats or scattering strychnine and arsenic broadcast by the pound, but

when it comes to cyanide of potassium, he literally "handles it with gloves."

Carbolic acid, opium, arsenic, strychnine and other poisons have become familiar to the general public, but of cyanide of potassium it hears but seldom, except when now and then a rogue is

found to be executed. You may feel assured, however, that the poison in hidden within an appetizing carrot, the gigantic trunk reaches forth, grasps the dangerous morsel and into the huge mouth goes the death-dealing pill.

A surprised and accusing look comes into the little dark eyes, the trunk makes a few feeble swings and with a couple of shudders of the massive hide the immense mass of animal vitality sinks into a heap of inanimate matter.

From "Poisons as Servants of Man," in July Technical World Magazine.

many of children at the Dorothy Dix school for the production of their annual summer program. They have just returned from a trip to the Orient and will devote the summer to concert work in New England. Mrs. Terrill has not yet decided whether she will accept the offer or not.

The Deadliest of Poisons.

The idea of a poison is generally associated with excruciating pain, a hospital cot and lingering death; but, when the mind turns to cyanide of potassium, its death comes up for the imagination. So treacherous and terrible is the

poisonous nature of this innocent-looking candy-like substance that even the police expert handles it with reluctance.

And there is a reason, for unlike the other life destroyers he is so familiar with, he only needs to get this one in an unprotected wound in his hand or in a

take some of its sweet, bitter almond smelling vapors to be a corpse. Indeed, he would think nothing of chloroforming a dozen cats or scattering strychnine and arsenic broadcast by the pound, but

when it comes to cyanide of potassium, he literally "handles it with gloves."
